Cass County Deputy Responds to Vehicle vs. Cow Crash

CASS COUNTY, N.D. (August 25, 2014) – On 8/25/14 at approximately 0300 hours a Cass County Deputy was dispatched to the westbound lane of I-94, west side of exit 322 in response to a crash involving a vehicle versus a cow. The driver of the vehicle suffered no injuries and the vehicle was towed due to the damage.

A local farmer was contacted in attempt to identify the owner of the cow. While deputies were attempting to get close enough to determine ownership, the cow charged the Deputy on scene pushing him backward onto the ground. The Deputy got to his feet just as the cow started charging him again. The deputy was forced to discharge his firearm at the charging cow to avoid a second blow from the animal. The cow is deceased.

The Deputy was taken to a medical facility for non-life threatening injuries. The owner of the cow has not yet been identified.
